

Spirit of Mission

Pray that all people may do as Jesus asked - whatever they can to teach the whole world about God.

Where is the farthest you've traveled? Have you been out of your state? Have you been to a different country?

It's not always easy for us to travel, so we easily forget that there are billions of people all over the world. Some people have never even heard about God. Jesus asked us to teach the whole world about the Gospel, and he wants every one of us to do it! Many of us don't know what we can do to spread the Gospel. We think we are too young, too busy, or too poor to travel far away.

When we pray the Our Father, we say "Thy Kingdom come." What does that mean? We are praying for God's kingdom to grow. We should pray for the people who don't know God, and we should pray for the people who have traveled to teach them.

In fact, the Pope says that the most important thing we can do is pray! Every morning, you and I can pray the Morning Offering. When you offer your day to God, everything you think, and do, and say is a prayer to Him for people far away.

What else can you do for people thousands of miles away? You can save part of your money and give it to the poor. You can donate food to the hungry. You can donate clothes or school supplies to people in need. Even though you may be thousands of miles away, every little thing you do helps God's kingdom grow. And don't forget to pray.

Think about it!

- Why is it important that people far away learn about God?
- How can you give God your day?
- What other things can you do to help God's Kingdom grow?
